

# CAPABILITY STATEMENT

## OUR MISSION

To provide expertise in GEOINT and human geography analysis, data science, and professional training to the Department of Defense, intelligence, federal, and security communities, through a cadre of proven analysts, robust and dynamic training, and state-of-the-art technology solutions.

## WHO WE ARE

Masego Inc. began in 2013 as a Service-Disabled Veteran-Owned Small Business (SDVOSB) with one employee supporting the National Geospatial-Intelligence Agency. Since then, we have expanded across multiple contracts within the intelligence community and focused on delivering client-centric service. We are an SBA-certified 8(a) firm, and have been recognized as one of Inc. 5000's Fastest-Growing Private Companies in America, Vet 100's Fastest-Growing Veteran-Owned Companies, and awarded the DoD's Mentor Protégé Program's Nunn-Perry Award.

Our portfolio of expertise includes GEOINT, human geography, professional training, data science, and custom services. Our corporate culture prides itself on dedication to the mission while bringing a wealth of knowledge across multiple disciplines, delivering sound solutions, and exponential impact. We are agile, adaptable, and continual learners, eager to conquer new challenges and enhance organizations.

## PAST PERFORMANCE

**NGA:** GEO-SPI A, MACSS, Mojave, GIMS, Mentor Protege Program with BAH

**DIA:** Raptor

**United States Air Force:** HD-TAT, IAC-MAC

## CAPABILITIES

### GEOINT

- Geospatial Analysis
- Human Geography
- Imagery Analysis
- Collection Management/Source Strategy Analysis
- Geospatial Data Management
- High-Cadence GEOINT
- Activity-Based Intelligence (ABI) analysis
- All-Source and Open-Source Analysis
- Throughput Analysis
- Full Motion Video

### Training and Certification

- Professional Learning Management
- Curriculum Development
- Management and Leadership Training
- GEOINT Proficiency Certification Management

### Additional Capabilities

- Data Science
- Project Management
- Sharepoint Administration
- Cross-Domain Cloud Infrastructure
- Information Technology / Virtual Reality

## NAICS CODES:

- 541330:** Engineering Services
- 541360:** Geophysical Surveying And Mapping Services
- 541370:** Surveying And Mapping (Except Geophysical) Services
- 541511:** Custom Computer Programming Services
- 541512:** Computer Systems Design Services
- 541519:** Other Computer Related Services
- 541611:** Administrative Management & General Management Consulting Services
- 541618:** Other Management Consulting Services
- 541690:** Other Scientific And Technical Consulting Services
- 541715:** Research and Development in the Physical, Engineering, and Life Sciences (except Nanotechnology and Biotechnology)
- 541990:** All Other Professional, Scientific, And Technical Services
- 611430:** Professional And Management Development Training
- 928110:** National Security
